Dear Mr. Maldonado:

We are writing to thank you and your membership for collecting 1,017 signatures in support of a U.S. commemorative stamp honoring THE BORINQUENEERS of the 65<sup>th</sup> Infantry Regiment. On April 9, 2010, we sent the first stamp proposal package to the Citizens' Stamp Advisory Committee with a total of 7,510 signatures and 1,160 Online Petition signatures. We wanted to let you know that your organization, the NYC Dept. of Sanitation Hispanic Society, submitted the highest number of signatures of any organization or individual! Thank you! Please make sure to let your membership know of the great job they did.

Although this was not a competition, we feel compelled to thank you in some sort of tangible way and are pleased to send you a complimentary DVD of THE BORINQUENEERS for your efforts. This DVD is for your own personal use only and not an institutional copy for the organization.

If you so wish, we welcome your continued support of the stamp campaign since it will be ongoing until we accomplish our mission of getting the stamp approved.

Thank you again for your support!

Sincerely,

*Noemi Figueroa Soulet*
